

Today is the deadline to sign-in/out for time trials. There are still 9 boys and 14 girls who have not signed-in or out. Make sure to do it today so that trials can go smoothly for everyone.

Attached and below is the volunteer list for boys time trials this Tuesday. We hope to have the online volunteer list working for the first dual meets.

Expect the girls list to come out in the next few days.

If you cannot fill your assigned position, the volunteer preference listing for this year will be on the website (volunteering page later today) and you can use that in conjunction with your team directory to find your replacement. Once you've identified your replacement, please email Kevin Radziul (email on the volunteering page) to let him know who will be replacing you. For more info about the volunteering process, refer to the message sent 10/10/2009.

Have a great weekend.
