

Due to the weather forecast for Friday into Saturday and the potential for Sunday we will post the status of A diving and swimming on the CBSD website.

The link is: <http://www1.cbsd.org/communityschool/aquatics/Pages/WeatherCancellations.aspx>
In the event that you cannot access the page through this link, go to www.cbsd.org. Click on Community School. Click on Aquatics. Click on the link at the bottom of the page titled: Weather Cancellations.

Please note: A Champs Information will only be located on the CBSD Community School weather cancellation page. Do not pay attention to the messages on the front page of the CBSD website.

We will update the status of A diving by 7am on Saturday morning. A swimming will be updated by 6:15am on Sunday morning.

Please share this link with everyone involved with your team so they will know where to find the information. In the event that we have to reschedule, we will have diving on Sunday, February 14th, at CB South, same time schedule. We are not sure what will occur with regard to A Swimming...

Please remember that if you are not comfortable driving on either day and the event is not cancelled, the safety of your family is more important than attending these events. As always, your decision should be based on your comfort zone and your ability to drive on wet and potentially icy or snow covered roads.

Thank you for all that you do to make the SAL the success that it is!

We hope to see all of you this weekend.

Roberta Lichter
SAL Chairwoman
