

A clarification:

Our league has 4 divisions (each containing 5 or 6 teams for a total of 22 teams).

On January 30th there are 8 division champs meets. One for boys for each division and one for girls for each division.

The Division (B) champs that SWAC swimmers attend (at CB South for boys or North Penn for girls) has competitors only from the North division (Souderton, Penridge, Central Bucks East, SWAC, Hatboro-Horsham, North Penn).

There is only one League (A) champs meet for all 22 teams in the league.

Swimmers qualify for A champs during the season at league sanctioned meets (dual meets and SAL invitationals). The last opportunity to qualify for A champs is (aptly named) the Last Chance meet on January 23. Swimmers CANNOT qualify for A champs at division (B) champs.
