

Hi SWAC families,

It is that time of year again. It is time to plan the end of season pasta party. I hope everyone had great swims at B champs this weekend and good luck to those going to A champs next weekend. For anyone new to SWAC this year, we end our swimming season with a nice pasta party. A lot of good homemade pasta and the kids get to have some fun with their swimming buddies. But we can't start the planning until we know how many people are attending, so please RSVP as soon as you can. The format will be the same as last year. We will have pasta, sauce, salad, bread and dessert. I hope you all can come. Please see below for the details.
