

Hello SWAC -

The CB Aquatics Clubs' Swim-A-Thon benefiting the Center for Autism Research at the Children's Hospital of Philadelphia (CHOP) will be held on Wednesday, February 10th. This date is after the SWAC season is over and we are inviting all SWAC swimmers to return to swim for a good cause. The Swim-a-Thon is at CB South. CHOP will be in collaboration with the Bucks County Autism Support Coalition to provide support to local children.

Swimmers 10 and younger this season should plan to swim 6:30-7:30pm and swimmers 11 and older this season should plan to swim 7:30-9pm.

An informational flyer and pledge form will be available shortly on the SWAC website. <http://www.cbswim.org> Please start getting your pledges now.

Also - remember to bring your completed pledge form to the event. You'll collect your donations later but we need to record your pledges the night of the swimathon so we know how much in contributions to expect.

Please bring a baked good to share after the event.
