

Building availability has been confirmed for tonight...the SWIM-A-THON is ON with details as per below. We will have plenty of space to accommodate all SWAC/CBAC swimmers who want to participate so please come if you can. Remember to bring your pledge forms with you tonight.

If you cannot come, please consider collecting/making donations to this worthy cause. Donations can be placed in the Ross folder at CB South or brought to the SWAC team party and given to Ivy Ross there.

Given that it is snowing as I write this, please check the district website for possible weather closure of CB buildings before leaving for the swim-a-thon.

Thanks so much.

Subject: SWAC - Swim-A-Thon

The new swim-a-thon info is below. We have not gotten the final word from facilities regarding building availability, however, we believe the pool will be available as listed below. Final confirmation will not come until during the day on Tuesday. Given this circumstance, please remember to check email for confirmation before leaving for the event.

Apologies again for all the changes.

USS swimmers: look for info on the CBST website.

SWAC/CBAC swimmers at CB EAST:

Tuesday, February 16

10 & under - 5:30-6:30PM

11 & up - 5:30-7PM
