

Hello all -

The swim-a-thon scheduled for this Wednesday is being postponed until next Wednesday, February 17 due to the weather predictions for this week.

The other details are the same (time, location, etc.)

If your attendance status will change because of the date change please let Ivy Ross know. Also, if you would like to attend and have not let Ivy know yet, please email her or get a form into the Ross family folder at CB South. (Ivy's email address is in the Cc above.)

Hopefully everyone can use the extra week to secure more pledges in support of our worthy cause.

Thanks.

Jen
