

## Highlights:

- 1 - Remember to RSVP to Michelle Towle for the SWAC end of season party to be held the evening of Friday, February 26th in the CB South cafeteria. See previously sent email for additional details.
- 2 - Thanks to all who came out to decorate shirts last Friday. Also, thanks to all the volunteers who helped make the division champs meets this weekend run smoothly.
- 3 - SWAC practices have ended unless your swimmer is attending league (A) champs. For our A-champs attendees, remember that there is no practice Thursday, February 4.
- 4 - A message with A-champs details (including warm-up and volunteer assignments) went out to all A-champs participants earlier today. If your swimmer is attending A-champs and you did not get the message, contact me immediately and I'll forward it to you.
- 5 - SWAC swimmers are invited back on February 10th to participate in the annual swim-a-thon. See previous emails for details and visit the website for the flyer and a pledge form.

## Reminder:

- 6 - Remember to check your bags for lost and found items. If you notice an item in your bag that is not yours, please bring it to the party.
