

Hello SWAC -

Below is a grid listing this year's regular season swim meet times. Currently, arrival times are listed as 15 minutes prior to the start of the warm-ups. If the coaches decide they need the swimmers to arrive earlier, it will be communicated via email.

These meet times will be posted on the website (see the "meets" button) over the weekend.

Please be aware that changes in meet times can occur. I will do my best to announce any changes that occur via email, however, be sure to check the times often during the week of the meet and before leaving for each meet as last minute changes can occur.
